

# MAHANT MANGESH MHALSEKAR

mahantmhalsekar351@gmail.com — +91 7204310337 — LinkedIn — GitHub

---

## Education

**Canara Engineering College**

B.E. in Computer Science & Engineering, 2026

**CGPA:** 7.77

**Sharada Vidyanikethana PU College**

Pre-University, 2022

**Percentage:** 66.83%

**St. Joseph's high school**

High School, 2020

**Percentage:** 71.68%

---

## Skills

**Programming Languages:** HTML, CSS, SQL ,C, Java, Python, JavaScript.

**Soft Skills:** Team Work, Efficient learner.

**Technical Knowledge:** Data Structures, DBMS ,OOP.

---

## Certifications

- JAVA Training-Spoken Tutorial
  - RDBMS PostgreSQL Training
- 

## Projects

### Yakshagana Character Recognition

- Developed a deep learning model using RetinaNet for classifying Yakshagana characters from images, leveraging a custom-built dataset.
  - The model achieved an accuracy of **98%**, enhancing recognition despite the complexity of costumes and makeup.
  - This project aids in the digital preservation of Yakshagana art by automating character identification.
  - **Tech Stack:** TensorFlow, RetinaNet, OpenCV, NumPy, Pandas, Python, Jupyter Notebook, Google Colab.
- 

## Achievements

- Participated in 2025 Statewide Engineering IT Quiz tcs TechBytes an inter-college quiz.
- 

## Additional Information

**Languages:** Kannada, Konkani, Marathi, English, Hindi.

**Interests:** Painting, Sketching, Singing, Badminton.
